

Youth Fast-Pitch Softball Clinic 2023 Registration Form

Meet the Coaches and Instructors

Steve Kirst -- CCHS Varsity Head Coach

Coach Kirst is excited to begin his fifth season as Head Coach for the CCHS Varsity Softball Program. Throughout his 20+ years of experience, he has coached in the Instructional League, North Shore Stars Club, N. Fond du Lac HS, WB East HS, Waterford HS and Muskego HS. Throughout his high school softball coaching years, he has held head coaching positions at the JV2, JV and Varsity levels. Also spent several years closely involved with D-III college softball.

Chirissa Zirbel-Rothering--CCHS Varsity Assistant Coach

Coach "Z" is a CC Softball Alum (4 yr letter winner '08-'12) and is in her 3rd season coaching for the Hilltoppers. She was an outfielder and also excels at coaching baserunning. She's silly, loud, fun, but most importantly very passionate about the game.

Karissa Crisenbery--CCHS Varsity Assistant Coach

Coach Karissa is in her 3rd yr coaching for CC. She played college softball for Taylor University in Indiana for 3 yrs with Covid taking away her 4th. In her Junior yr, her team made it to the NAIA Nationals. During her high school career she primarily played outfield. Her greatest skill as a coach is her ability to coach "the mental game"...thinking one step ahead, delayed stealing, positioning outfielders, going from 1st-3rd, and just staying mentally engaged.

Miranda Uhen--CCHS Varsity Assistant Coach

Coach Miranda is a four-time All-Conference performer from Martin Luther HS where she also earned 4 time Team MVP, compiled a career .600 batting average and was 2010 Conference Player of the Year. She played college ball for UW-Green Bay where she earned All-Conference honors in '12 & '14, as well as NFCA All-American Scholar-Athlete Award three times! Miranda was an assistant coach for Ripon College and in '17 was named interim head coach. She also coach for Queen of Diamonds and two years coaching experience at Martin Luther High School.

Clinic Dates, Times, and Skill Focus

	9-10:30AM		10:30-Noon
