

YOUTH SERVERS NEEDED
St. Clare & St. Thomas
January 2024

If you're a parent of a son/daughter (5th grade thru high school) that might be interested in helping during Mass as a youth server, please have a discussion with them and share the following:

- We are collecting names of those interested through January with training in February.
- After training, we will slowly assign tasks to our new youth servers based on their interest.
- Please assure your son/daughter that we will **NEVER** ask them to do anything they are not comfortable with or ready to do. We appreciate them coming forward and will work with each one individually to increase responsibilities at **THEIR** pace and comfort level.
- If you have a 4th grader that is excited about helping in this Ministry and simply can't wait until 5th grade, we will entertain accepting him or her.
