Jay and Keaton

- ◇ Met at a Trivia Night in Busan, South Korea. (*“Won’t you join my team?” she said.*) Found they shared many interests, values, and a wild sense of humor.
- ◇ After a year of dating in Busan, the couple continued their romance long-distance another 18 months
- ◇ Since Jay’s arrival in Oklahoma, they’ve visited various churches, hoping to find a congregation with a strong sense of mission, a progressive viewpoint, and a welcoming, loving vibe. They’re very happy to call College Hill their new spiritual home.
