

WOMEN'S CORNERSTONE

Women's Cornerstone is a community of faith filled women who desire the opportunity to grow in their relationship with God in a nurturing and spiritual environment. This ministry explores many ways to pray, build faith and more deeply develop a loving relationship with Our Lord and each other. Women's Cornerstone began over 20 years ago and has welcomed more than 300 women.

The journey begins with a retreat in the parish center, which has been described as a “spa for the soul”. Many have been transformed by this beautiful experience. On the retreat, women hear inspirational faith stories, pray, socialize, and form bonds that can last a lifetime. The retreat is a unique time to view your spirituality in a new way and is, for many, the beginning of a new faith journey.

The community offers many opportunities to grow together in our faith on an ongoing basis. There is an annual Communion breakfast, evenings of prayer, dedicated speakers who address meaningful topics.

This vibrant community prays for each others' intentions through an on-line prayer chain. We further our connection through timely newsletters that keep us connected to each other and informed of all the activities of Cornerstone, with weekly online Rosary, and small group sharing opportunities.

All women who have not yet done so, are invited to take the first step and attend a Cornerstone retreat. There is a spot waiting just for you.
