

## Wind Beneath My Wings

Modified from Bette Midler's lyrics by Faith P.

Life was so cold before the Program  
I never had sunlight on my face  
I was content to stay behind, that's my way  
I always walked a step behind.

I was the one who had no glory  
But You are the one with all the strength  
I was a face without a name for so long  
I had a smile to hide my pain.

Did you know that now I have a hero?  
My HP has come to rescue me  
Now I can fly higher than an eagle  
God is the wind beneath my wings.

It might have appeared to go unnoticed  
I've got it right here in my heart  
I want you to know, I know the truth, yes, I do  
I would be nothing without You.

Did you ever know I have a hero?  
God's everything I need Him to be  
Now I can fly higher than an eagle  
He's the wind beneath my wings.

Did I ever tell you God's my hero?  
He's everything I need Him to be  
And I can fly higher than an eagle  
He is the wind beneath my wings

### *Optional*

(Oh, the wind beneath my wings  
You, you, you, you are the wind beneath my wings  
Fly, fly, fly away, You let me fly so high  
Oh you, you, you the wind beneath my wings  
Oh you, you, you the wind beneath my wings.)

### *Ending*

FLY FLY FLY HIGH AGAINST THE SKY  
Fly so high I almost touch the sky  
Thank you, thank you,  
Thank you God,  
You are the wind beneath my wings.
