

## Overeaters Anonymous - Region 6

New York, Connecticut, Massachusetts, Rhode Island, New Hampshire, Maine, Vermont, Central & Eastern Ontario, Quebec, Newfoundland & Labrador, New Brunswick, Nova Scotia, Prince Edward Island, and Bermuda

***Please forward the attached memo from Bonnie L. (World Service Chair of the Board) throughout your membership. Whether it's local, regional or international, we are doing our best to keep everyone informed. Updates will continue as new information becomes available to us. Thank you.***

April 7, 2020

Hello everyone,

This is to advise that our physical conference is indeed cancelled. WSO will be issuing a formal announcement very shortly.

You will be seeing a flurry of activity as announcements continue to roll out. Please advise your service bodies as soon as possible. **We are allowing until 4 pm Thursday for any last-minute registrations.** They must be complete, with all required signatures and payment.

Please be sure that your registered delegates keep a very close eye on their inbox. The conference will "officially begin" on Monday, April 13th, and will last until Wednesday, April 29th. During that time delegates will elect the new trustees and vote on the literature proposals - each beginning with a Q&A period. A detailed schedule will follow.

I'd like to offer a HUGE thank you to our staff who have been meeting deadlines while working from home under the most difficult of circumstances.

Thank you also to all of you, and to our delegates - for extending your understanding and patience as this process has been developing.

Please keep correspondence to the WSO at an absolute minimum between the 13th and the 29th as we conduct our business.

Yours in Service,

Bonnie Lewsaw

*Chair - Board of Trustees*
