Interested in a faith-based, academically strong school? It's never too early to think about the 2021-2022 school year! St. Matthias Parish School welcomes new students to our community. We are participants in both the Milwaukee and Wisconsin Parental Choice Programs and offer before and after school care. While we have adjusted to the limitations of the COVID-19 pandemic, we are looking forward to returning to the classroom in person in the fall!

As a K4 – 8th Grade day school, core academic subjects are offered as well as Physical Education, Spanish, Project Lead The Way, Music and Art. We believe in educating the whole child so extracurricular programming offers additional opportunities for our students to learn and grow outside of the classroom. As a Catholic school, prayer is part of every day, both as individuals, in the classroom and as a community. Our students attend Mass once a week and participate in faith opportunities throughout their day. Our Catholic faith is infused across our curriculum as we support children in respect, inclusion and kindness.
