- El programa de propietario de Tulsa Habitat brinda opciones de préstamos módicos y de interés fijo, diseñados para satisfacer sus necesidades específicas.
- El equipo de expertos de Tulsa Habitat lo conducirán a través de un proceso individualizado de asesoría para la compra de su hogar, además de educación financiera.

## YOU CAN HELP US SAY "WELCOME HOME" BY SPONSORING A TULSA HABITAT FOR HUMANITY HOME

It takes both volunteer labor and financial support to keep Tulsa Habitat homes affordable for local hardworking families. The cost to build a new Tulsa Habitat for Humanity home is approximately \$125,000. Without volunteers and financial donations, we would not be able to do what we do best – help deserving Tulsa families achieve the dream of homeownership.

### **WHO CAN SPONSOR A TULSA HABITAT BUILD?**

- Business corporations
- Faith Communities
- Professional groups
- Individuals
- Foundations

### **WHAT DOES IT MEAN TO SPONSOR A TULSA HABITAT HOME?**

*Sponsorship takes many forms:*

1. Financial – Monetary donations help to cover the actual cost of building a house.
2. Volunteer – Individuals and groups work side by side with homeowners.
3. Donate – Give your gently used clothing, small household goods, appliances (working and nonworking), furniture and more to our ReStore and ReStore Rack thrift store. The sale of donated items raises funds that go back into building homes.
4. Shop – when you shop at the ReStore and ReStore Rack, your purchase helps fund homes for our client partners.

### **WHAT ARE THE BENEFITS OF SPONSORING A TULSA HABITAT HOME?**

- You and your employees, or group members can volunteer up to 16 weeks on a Habitat home, from raising the walls, all the way to dedication, when the family gets the keys to their home! Volunteer commitments are flexible and can be shorter or longer.
- If your company is sponsoring a build, we will create a video of your involvement, and feature it on our [tulsahabitat.org](http://tulsahabitat.org) website. Your sponsorship will also be promoted in our social media posts, and in our publications including your logo for one year. We will provide a profile of your business in all media releases related to your build. Depending on level of sponsorship, you will also have the opportunity to present the keys to the homeowner at the home dedication.
- Your participation changes lives and strengthens our community for generations to come.
