

Hello,

As you know the governor has decided we will be starting the school year with distance learning. We are preparing chrome books to distribute to our students. We had to order some new ones and we are still waiting delivery. We are planning to get out materials by the end of the month. Our curriculum companies were shut down for some time so we also need our books to start the school year. Please note that we will be working hard to get everything your children need to be successful in these unusual times. Once again if you have any questions or comments please email me at [mikes@sutter.k12.ca.us](mailto:mikes@sutter.k12.ca.us)

I will be happy to address all items that come to my computer.

We hopefully will have an actual start date by next week.

Take care,

*Mike Scully*
