Dear Nuestro School Parents,

I hope you and your student enjoyed last week!!

Please note that starting March 1, 2021 Nuestro students  
in K-2 will attend from 7:45-1:35pm  
Students in grades 3<sup>rd</sup> to 8<sup>th</sup> will be attending from 7:45-2:30pm.

Parking lot will be opened from **7:45am to 8:00am** to drop off your students.

Distance Learning is still available for those families wishing to keep their students at home. Please let your child's teacher know if you want to resume keeping your child at home and or need school daycare for your student. K-2 teachers will still be able to meet their students on Distance Learning from 1:45pm to 2:30pm. For students in 3<sup>rd</sup> to 8<sup>th</sup> grade I am in the process of hiring a Distance Learner teacher to enable me to provide more outreach to our students accessing instruction from home.

It has been almost a year since Covid-19 shut down schools. In that time, we have had to become technology reliant. We have had to practice patience. Mask-wearing has become part of our lives and eating at a restaurant has become difficult. But through it all there has been hope, resilience, and strength. I am looking forward to a brighter spring with students on campus. Thank you for all of your support during this difficult time.

Please don't hesitate to contact me if you have questions or need additional information.

Stronger Together,

*Dr. Baljinder Dhillon*
