First question, how much do churches pay for secretaries and treasurers?

Second question, does anybody use CMS (Church Management Services) accounting program? We have been told that our particular version is out of date and no longer available. We last updated it in 2010.

If not, any suggestions on a replacement program?

Thank you for your time and understanding.

Ian MacInnes-Green, First Pres. Gaylord. 2ministers@gci.net
