Camp Director's Recollections

2023 was an amazing summer at Presbytery Point! We saw increased numbers of campers attending camp, and an increase in volunteers helping bring the magic of camp to them. The paid summer staff kept our beach safe, facilities clean, and our campers well fed.

We appreciated everyone's efforts in running a 7-week camp season. Four of the week's were Presbyterian children camps, Elementary School Camp, Middle School Camp, High School Camp, and Family Camp. The camps were led by amazing spiritual leaders: Brenda Ransom, David Henderson, Jim Porter, and Ryan Donahoe. The last three weeks were full-facility rentals Camp New Day and Superior String Alliance, which brings in much needed revenue into our facility.

Our campus was cleaned up, prepped, and facilities repaired during our Spring and Fall work camps. The donation of a John Deere 6x4 utility vehicle certainly helped make the work a wee bit easier. Our campus received many compliments on its presentation, and cleanliness.

This was my first year as Executive Director. I traversed from one end of the Presbytery of Mackinac to the other, visiting churches and promoting our program. I want to thank the twenty-four congregations for welcoming me to their services in 2023. I felt the support of our Presbytery and our Synod this past summer. It was great sharing how special Presbytery Point Camp is.

"Let Your Light Shine!" in 2024.

White Stately Birch Community members pledge support to the mission of Presbytery Point with recurring donations of $300 or more per year. Those members who donate $500 receive a commemorative plaque made from the flooring of the old dining hall. Since its creation, the WSBC has grown to a dozen members. We thank them, and all of our donors, for their faithfulness.
