INVITATION

NONPROFIT SECURITY GRANT PROGRAM (NSGP)
FY2024 SPRING WEBINAR SERIES – ALL EVENTS

Upcoming Webinar Series

The Federal Emergency Management Agency's (FEMA) Grant Programs Directorate (GPD) invites interested organizations to attend upcoming webinars regarding the Nonprofit Security Grant Program (NSGP). The NSGP is a competitive grant awarded to nonprofit organizations at high risk of a terrorist or other extremist attack for the purposes of facility hardening and other security enhancements.

FEMA is committed to providing quality customer service to all nonprofit organization stakeholders. Therefore, GPD is offering the following informational webinars for all those interested in learning more about the NSGP priorities, eligibility, and application process.

For all attendees, it is strongly recommended that you review the existing NSGP resources available below to maximize the benefit of attendance:

NSGP RESOURCES

NSGP Webpage – FEMA.gov: Find all historical resources related to NSGP and visit this site for the most up-to-date information available.

Subapplicant Quick Start Guide: Find a plain-language overview of the program and application processes.*
**NOTE: THIS DOCUMENT IS UPDATED ANNUALLY. THE CURRENT QUICK START GUIDE IS SUBJECT TO CHANGE.*

NSGP Introductory Video: Find a brief explanation of the program and become familiar with the aspects of an NSGP sub-application.

Physical Security | Cybersecurity and Infrastructure Security Agency (CISA): Find additional resources, including a vulnerability self-assessment and other helpful safety and security information for nonprofits.

Please note that depending on the timing of a Fiscal Year (FY) 2024 appropriations bill, final FY 2024 information on the NSGP may not be available at the time of the webinars. Interested nonprofit organizations should maintain communication with their State Administrative Agency (SAA) for all deadlines and application requirements.
