Hi Presbytery Leaders and Communicators,

I am writing to ask you to publicize an upcoming conference sponsored by 1001 New Worshiping Communities and hosted by Cincinnati Presbytery.

The conference is called **Inspire: The Moment Is Now".** Its tagline is "**Building a Vibrant Future with Immigrant and Established Churches."** This conference is both for immigrant community leaders AND for our established churches who would like to support and learn from these newer Americans and their worshiping communities. It will be August 22-24, 2024, at the Presbyterian Church of Wyoming in Cincinnati Presbytery (not the state of Wyoming lol).

Interested folks can register and learn more at Inspire: The moment is now: Building a Vibrant Future with Immigrant and Established churches (constantcontactpages.com). They might also contact Gad Mpoyo from the 1001 New Worshiping Communities staff in Louisville (gad.mpoyo@pcusa.org) and/or Lindsay Armstrong, Executive Director/CEO of the New Church Development Commission of Atlanta Presbytery (larmstrong@atlpcusa.org)

The conference is FREE but there is a charge for lodging.

I'm honored to be the opening preacher at the conference.

Thanks for publicizing this through your newsletters and social media channels.

God bless you,

Chip
