

## SF Daycare and Afterschool Programs for Youth

### Overview

Selecting a care option for your infant, child or teen requires work! There are a myriad of options to assess and questions to be asked before placing your loved one in the care of others. Generally speaking, childcare allows kids to be better prepared for success in school and in life. However, there is a lot to consider when evaluating childcare centers: safety, values, nutrition, language, personal beliefs.

This fact sheet provides representative lists of daycare and afterschool/summer programs in San Francisco. TMASF Connects relies on public information to compile these listings and has not verified service costs, hours of operation, and level of care. We do not warranty any organization but are offering this list for your consideration.

Please click on the links throughout to learn more about each program. Nearby transit is listed to assist with trip options and getting from home to daycare to work in SF seamlessly.

## Afterschool/Summer Programs

Youth that are engaged in after school and summer activities are also more engaged in school. They tend to perform better academically, have better attitudes about homework, and have higher aspirations for college and life. We have compiled a representative list of youth programs in San Francisco below which provide adult supervision and offer a great place for kids to socialize with other kids. Click on the links to learn about some great options for kids like volunteering, job workshops and computer skills.
