

COVID-19

Vaccines for

Ages 5-11

Things to Know:

Vaccine Information

- The Pfizer-BioNTech vaccine is now available for everyone aged 5+.
- Pediatric doses (ages 5-11) are $\frac{1}{3}$ the amount that ages 12+ get.
- It is a 2-dose vaccine, given 3 weeks apart. Your child is considered fully vaccinated 2 weeks after their second dose.

Schedule an Appointment

- Pediatricians - Call your child's pediatrician office to schedule.
- Pharmacies - Schedule online at your local pharmacy's website.
 - Find pharmacies with vaccines near you by texting your ZIP code to 438829
- Public Health Clinics - www.MyTurn.ca.gov or 833-422-4255

More Info

- Parent/guardian must be present or give consent by phone at time of vaccination.
- Keep your child's vaccine record card to provide at their second-dose appointment.
