WE HAD FUN LEARNING... HIGHLIGHTS FROM MARCH!

Dinosaur month was a big hit!
We erupted a volcano, talked about herbivores and carnivores, and even did some Dino dancing! There were so many fun crafts, songs and stories too.

The students and teachers had a blast at Can Am Gymnastics!
It was hard to choose what was more fun
- the bus or the gym 😊

DON'T FORGET!!

A reminder that we try to head outside if the weather is -21 or warmer. As such, please ensure that you send all the correct outdoor wear with your child as rubber boot and splash season will be coming soon!

We still have room in our PS 1, PS2 and PS4 classes for fall 2024. Please share with any family or friends who may be interested and like our posts and ads on Facebook too.

WHAT'S COMING UP IN APRIL?

In April we will be learning about "Community Helpers." The children will have the opportunity to learn about a variety of professions in our community. We would LOVE if parents would volunteer to come into their child's class and discuss their job with the children (15 minutes). Photos, props, etc. are welcome! Please email us at preschool@cdac.ca if you are willing! It is such a great way for children to learn about what their parents and other adults do in our community!

After Easter Break our classes will have some little eggs in an incubator joining us! We will be learning about baby chicks, hopefully watch them hatch, and even get some time to play with them before they head back to the farm!

The **Adventure Wranglers** are coming to our classes on April 22 and 23rd! Class times will be as normal. The wranglers will be bringing 6 special friends for us to learn about, touch and hold if we are comfortable!

NOTES

Kids Kapers preschool camp will be happening June 17-21. It is a fantastic week of camp (1/2 days here at the church) and such a fun way for the children to stay connected with their preschool friends as well as meet new ones!

You can register online at cdac.ca/kids-kapers
