DON'T FORGET!!

Please ensure all of your child's belongings are labeled with your child's name. Many children have the same or similar items and it can become confusing.

As the weather changes we ask that outdoor wear reflects the season (i.e. warmer coat, mitts when necessary.) In addition, children should have shoes and /or boots that they can put on by themselves.

Please put your child's snack in a separate bag, within their backpack. This makes it easier for the children when carrying their snack to and from the snack room. Also, please do not send candy for snacks!

We ask that parents continue working towards complete bathroom independence - including telling a teacher when they need to use the washroom and then wiping and washing up as well.

Thanks for your help!

WE HAD FUN LEARNING...

HIGHLIGHTS FROM SEPTEMBER!

We have spent the month of September learning how special we all are! Children have been settling in to our class routines, creating friendships, and having a lot of fun.

Each week we have begun to introduce a new letter of the alphabet. We will work on recognition, pronunciation, the sound it makes and how to write it.

Make sure to follow us on Facebook and Instagram to see all of our fun photos!

WHAT'S COMING UP IN OCTOBER?

Our themes for October are Autumn, Thankfulness, and Halloween!

Tuesday, October 8 and Wednesday, October 9 are our school picture days! There will be a photographer here to take individual and classroom photos during class time. Later, each family will be given the opportunity to see proofs and purchase a package if you so choose.

Wednesday, October 30 and Thursday, October 31 are our classroom Halloween parties! Children are invited to come dressed up in a costume and then we will go trick or treating up in the office and around the building where our Circle Church Staff will be handing out some fun treats!

NOTES

Show & Tell is an empowering language opportunity. Each child will have a chance to stand up in front of the class and tell their friends about the item they have brought. Each child may bring one theme related item on Show and Tell Day. Please place the item in the top slot of their locker or on top of their locker. We'll have the children retrieve their item during Circle Time.

We want to let you all know that our neighbour's down the hall from our Preschool Classroom are from L'Arche! This is a day program for individuals with intellectual disabilities. Feel free to say hi to their participant's in the hallways when you see them!

Also a reminder to please use the email psattendance@cdac.ca when informing of us of an absence or alternate pick up!
