

More than 1,000 youths in Ottawa are homeless

FROZEN AND FORGOTTEN

frozenottawa.ca

At Joan of Arc Academy, we feel strongly about helping other girls in Ottawa to be safe, warm and supported.

We have created an art installation of frozen jeans to raise awareness of those who are frozen and forgotten on our streets. Help us raise \$25,000 to fund a room at the Youth Services Bureau's Youth Hub.

Donations of \$10 or more will contribute directly to Joan of Arc's goal of becoming a Founding Family at the Youth Housing Hub. In turn, the frozen and forgotten youths in Ottawa will receive a safe and supportive home.
