

## Who We Are

Monroe County United Ministries (MCUM) creates lasting solutions to economic, educational and social injustice in our community through quality services, collaboration and innovation. We provide high-quality early childhood education, self-sufficiency services, and basic needs assistance for those in financial crisis.

## A Brief History

MCUM opened in 1939 as a day care for low income families and evolved over time to include other services, like a food pantry, rummage shop, and even a credit union. Over the years MCUM has grown and changed to meet the needs of the community. Our goal is to eliminate generational poverty for the people we serve.

## Self-Sufficiency Center

Monroe County United Ministries

Would you like a support system in working toward a financial, educational, family, wellness, or career goal?

Are you struggling to meet your basic needs?

**We can help!**

# Basic Needs Assistance

## Food Pantry

Our client-choice food pantry provides a 3-day supply of food, based on the number of family members living in a house. Pantry visitors receive a shopping card, good for three monthly visits during which they will select their own groceries.

## Cleaning & Hygiene Items

MCUM provides 6 full-sized cleaning and hygiene items once every six months. Clients will select their items from a list of what we have available.

## Clothing & Housewares

Through our partner resale shop, Opportunity House, we can provide vouchers once every four months. Clients can select items for their family members, such as clothing, shoes, bedding, pots & pans, and more.

## Financial Assistance

We can offer up to one-month portion of a rent or utility payment after a client has seen a township trustee for the same expense and received a response. By appointment only.

# Your Path

Your Path is a roadmap to Self-Sufficiency. Participants complete a short application describing which area(s) of their lives- family stability (housing, transportation), wellness, career, education, or financial management - they would like to work on. Working with a coach for 1-3 years, participants can expect to be connected with resources to help them achieve their goals and will be supported during the triumphs as well as the challenges.

Examples of Your Path goals include: saving to buy a car, spending more time with family, and securing stable housing.

Interested individuals should apply online: [www.mcum.org/ssc](http://www.mcum.org/ssc).
