

THE BEACON WINTER SHELTER

It's up to us to keep it open.

The **Beacon Winter Shelter** has become a life line for many Bloomington residents that do not have roofs over their heads. They have gone from trying to survive outside in tents, under tarps, in sleeping bags or whatever they could find to a safe warm environment in which to lay their heads. Beacon, Shalom, and a concerned Bloomington community came together to create the Beacon Winter Shelter in a matter of a few days. *It is a miracle* and now, **it is up to us to keep it operating** through April 15th. Some needs of the shelter are:

- paper towels • 12 oz hot/cold beverage cups • cup o noodles • antibiotic ointment
 - instant coffee, sugar packets, hot chocolate (individual envelopes)
- warm gloves and mittens • non-perishable single-serving snacks and beverages

We do NOT need hygiene products! We do NOT need scarves and hats!

Donations may be placed in the bins on the north side of the church labeled

Beacon Winter Shelter. Financial donations may be made to Beacon at

https://www.paypal.com/donate/?hosted_button_id=5RDCCLYTEDUPY or mailed to Beacon, Inc., Donations, PO Box 451 / 620 S. Walnut Street, Bloomington, IN 47402-0451
Be sure to mark your donation **Beacon Winter Shelter**

Thank you for your compassion, always, but especially during this cold pandemic winter.
