

New Dialogue Series by Noah's Ark

Facing Our Fear and Outrage Finding Ways Forward Together

WHY

To inspire us to move beyond the grip of fear and outrage.

WHAT

A series of five stand alone events. You are welcome to participate in any number of these.

FIRST EVENT

Transforming Fear and Outrage? Yes, it is Possible.

A virtual event, via **Zoom**, on **July 26th 3pm-5pm EST.**

Will include **personal transformation stories, and small group dialogue.**

- What allows hatred and fear to disappear?
- What is the role of circumstance, personal effort or grace?
- How is our spiritual background a player in transformation?
- How does transformation affect our thoughts and actions?

Please join us to reflect on these questions and our own efforts/wish to transform.

To Join Zoom Meeting, please copy this link into a new browser window:
