

A searing portrait of the cost of racism in America.

Sunday, March 25th, 6-8 PM

Unitarian Universalist Church-Bloomington

2120 N. Fee Lane

- Maternal mortality rates are higher today than there were in 1987.
- The United States is one of only eight countries, including Afghanistan and South Sudan, where the rate is going up.
- Black women are four times more likely to die during childbirth regardless of their socioeconomic status and education.

To be followed by an open discussion moderated
By Bloomington gynecologist Dr. Clark Brittain.
Pizza and beverages provided.

Co-hosted by the UU's Reproductive Justice & Racial Task Forces
and MCNOW's Reproductive & Racial Justice Committees.
