

Unitarian Universalist Church of Bloomington, Indiana
Application Procedure for Fall Social Justice Grants (2020)
(Deadline for submission is October 16th, 2020)

Background

Each fall, the Social Justice Funds Committee (SJFC) solicits proposals for grants in support of local social justice projects. Awards are based, in part, on available funds, number of grant applications received and the guidelines outlined below.

Guidelines

Projects must be based in Southern Indiana and be consistent with the mission of our church. Priority will be given to applications from (1) Social Justice Task Forces, (2) projects that involve a significant number of the congregation, and (3) applications to seed new projects that will have an enduring benefit. The monies cannot be used to pay for professional services or salaries.

Before submitting the grant proposal, advocates of the proposal should have taken steps to inform members of the congregation and to involve interested members in the project.

Grant Procedures

Application forms are available electronically by request from Denise Ogren at uucbsjfunds@uubloomington.org. Completed applications should be submitted by email to the same address. **Deadline for application submission is October 16th, 2020.**

Members of the SJFC evaluate all grant proposals in light of merit and funds available. SJFC has authority to approve Fall Grants up to and including \$1000. Greater grant amounts require approval by senior minister with discretion for further process (board, congregational vote, other). Please note that it is possible that grant proposals of high merit may be denied for one reason or another (higher priority of other proposals, lack of funds, etc) or may be approved for an amount less than requested.

All applicants will receive confirmation of receipt of their grant application. A letter from SJFC will be sent to inform them of the decision on their request, usually by mid November. For each grant that is awarded, a transmittal account ("T account") will be established, from which project expenses will be reimbursed. Unspent funds will revert to social justice grant funds as determined by the terms of the grant, normally 12 months after the grant is awarded.

If you are planning an application, we suggest that you immediately begin involving the congregation in your project so that you will be able to describe significant congregational support in your application.
