

Guidelines for Limited Access

In-person, small group meetings in the church building

The NEST committee has determined that a limited number of small group meetings may be held in the church building, with the guidelines in effect.

Group leaders will email Church Administrator Carol Marks at admin@uubloomington.org at least one week beforehand to schedule a meeting, and provide a preferred meeting day, time and a phone number for the group leader.

Meetings can be scheduled inside the building Tuesdays-Thursdays, 10 AM - 3 PM, assuming staff availability.

Limited Access Condition

- People should never attend a gathering if they have any symptoms of illness.
- We strongly encourage anyone who wishes to enter the church building to be vaccinated. Remote options will be available for those who are not vaccinated.
- Special events with additional precautions will be arranged for families with young children (under age 12).
- Only two groups will meet in the building at a time, with only one group in each building zone.
- Building zones will consist of an upstairs and a downstairs zone. You will be assigned to a zone when your group schedules its meeting.
- A maximum of 15 people can meet in-person in one zone of the building at any given time.
- Group leaders will maintain a list of who attended the meeting.
- Attendees will only use the restroom facilities in their scheduled zone.
- Attendees will not enter the building more than 10 minutes before the scheduled meeting time and exit the building within 10 minutes after the scheduled time.
 - All attendees must wear masks when meeting in the building. We encourage attendees to maintain social distancing so as to reduce the risk of disease spread.
