Undiedrive 22---February 12 to 28

UUCB's Homelessness Task Force and Trinity Church are sponsoring a clothing drive for K-12 students in Bloomington and Monroe County. The purpose of Undiedrive 22 is to collect underwear and sweatpants from churches and to distribute them to children in need, in the Monroe County Community School Corporation (MCCSC). As Mikela Casey, a social worker with MCCSC stated: *The underwear drive is a great opportunity for the community to help the MCCSC school social workers meet the needs of all students. We always need to provide underwear and sweatpants to students who may experience accidents or who come to school with clothing that isn't weather appropriate. We also provide packages of underwear to families that are experiencing financial hardship.*

The drive will collect new underwear in all sizes, including adult, for boys and girls in Grades K-12. We also hope to collect sweatpants for this population. The sweatpants can be new or used, but must be clean and in good condition. The items collected will be distributed by MCCSC social workers at all of the schools in the system.

The drive will run from February 12 to February 28. You can deposit items donated in the box marked "Undiedrive 22" under the portico on the north side of the church.

OR

You can use Amazon or Target wish lists to donate items and they will be shipped to the program organizers. The links appear below:
