

# There's a new kid on the block.

The Hunger Task Force is changing the recipient of our virtual food drive for March and April, as we try to help different food agencies in our community. The new recipient will be **Area 10 Agency on Aging** which provides a monthly Mobile Food Pantry delivery service to seniors over 60 in Monroe and Owen counties for seniors that are home bound or with limited mobility and other requirements. Their needs are:

- \* Peanut Butter \* Canned Chicken \* Pasta \* Pasta Sauce \* Boxed Mac & Cheese \*
- \* Canned or shelf stable fruit \* Canned Carrots \* Shelf stable meals \*
- \* Pre-packaged Pasta or Rice side dishes \* Canned Mixed Vegetables \*

Please keep in mind we need single serve or regular package sizes. Most of our households are individuals or a couple and heavy or larger items are difficult to manage.

We will continue with food drops to the north side of the church with the bins marked

**Area 10 Agency on Aging.** MANY THANKS FROM THE UU HUNGER TASK FORCE.
