

## When Should I Make My Pledge?

Here are Frequently Asked Questions about our current pledge drive for 2019-20.

Q Should I wait until Community/Pledge Day, April 20, to make my pledge?

A No, please don't wait! We encourage everyone to make their pledges before April 20, but if you want to make your pledge that day, that is ok too. There is someone at Pledge Central in the Commons every Sunday through April 21.

Q Why is there a pledge card in the order of service and also a pledge card with my name on it at Pledge Central?

A We want to make it as seamless as possible for you to make your pledge for the 2018-19 year, so we labeled cards for everyone who pledged for 2018-19 and we have them ready at Pledge Central. These also include the amount you pledged. The pledge cards in the order of service are a way of making sure everyone has access to a pledge card, even if they have never made a pledge before.

Q How can I make a pledge for 2020-21 as well as 2019-20?

A There are stickers in each pledge card envelope as well as extras at Pledge Central to use if you would like to make your pledge for 2020-21. Just fill in the sticker and place it on the front of the pledge card.

Q Do I have to use a pledge card to make a pledge?

A No, you can also make your pledge by calling or emailing the office, 812-332-3695 ext 204, [office@uubloomington.org](mailto:office@uubloomington.org). All this information is kept confidential, of course!

Q Do I need to start paying my pledge now?

A You may begin paying on your pledge for the coming year whenever it's easy for you. Paying your pledge for 2019-20 in full by June 30, 2020, would be super helpful.

Q Can I set up an automatic pledge payment arrangement?

A Yes! Please call the office if you would like to set this up. You may also call the office if you would like to use a credit card, debit card, or e-check to make a one-time payment of part or all of your pledge. 812-332-3695, M-F 10-4.
