

Directions to Greg's House

Directions: Greg is at 4260 E. Bethel Ln., about .9 mile down Bethel Ln. from East S.R. 45. There are a lot of cedar trees in front of the house, and the address post is next to the drive. Folks can pull into the drive and park off of the blacktop drive on the gravel drive that "T's" off to the right that makes a "U" back onto Bethel Ln. If cars spread out, then folks might be able to leave when they want to. Also, folks might consider carpooling from UU (driving through the Griffy area).
