## UP TO 35% OFF LASER TREATMENTS

Secret PRO Revive	\$2999	.....	\$1950
-------------------	--------	-------	--------

Get the ultimate treatment with our Secret PRO Revive. Layering, Secret RF Micro-needling over your entire face, neck and decollate immediately followed by a full face CO2 Exfoliation Treatment and a medical light treatment. This procedure targets damaged skin by increasing collagen and hyaluronic acid production to reverse the signs of aging. Included, receive a dermaplane treatment 6 weeks post treatment for the full package deal.

CO2 Exfoliation Full Face	\$999	.....	\$700
---------------------------	-------	-------	-------

A series of gentle fractional CO2 Micro-Peel treatments, addressing the superficial layers of photodamaged skin. This treatment stimulates neo-collagenesis for skin revitalization, with minimal downtime. 2-4 treatments recommended depending on needs.

Fractional Ablative Full Face	\$650	.....	\$450
-------------------------------	-------	-------	-------

This treatment removes the thin outer layer of skin (epidermis) and heats the underlying skin (dermis), which stimulates the growth of new collagen fibers. As the epidermis heals and regrows, the treated area appears smoother and tighter. Best for dark skin types, scars and deep wrinkles.

Secret RF - Full Face & Neck	\$1070	.....	\$750
------------------------------	--------	-------	-------

IPL Photo-Facial - Full Face	\$300	.....	\$195
