Bijoux de Petite Femme

Meet Jacqueline Cohen - Founder of @jackandjewelz

Jack and Jewelz is a collaboration of a mother-daughter team. As a certified gemologist, I have always had a passion for jewelry. For years, I have been creating custom, bespoke, high-end diamond jewelry. During this pandemic, my daughter came to me and asked if we could start our own jewelry line for kids, with the intent of helping others along the way. That was the day, Jack and Jewelz was born. We are working together creating designs for children at a price point that appeals to parents and we can't wait to share more!
