Supporting Families Community of Practice Quarterly Meeting

The DC Supporting Families Community of Practice (SF CoP) is a group of diverse stakeholders who work together to create policies, practices, and systems that support families that include a member with an intellectual or developmental disability across the life span. We come together to learn, share information, and support each other.

On Thursday, June 14, 2018, from 9:30 am to 3:30 pm, we will:

- Learn about the Disability Reform Amendment Act of 2018
- Talk about the new formal complaint process at DDS
- Learn about supported decision-making
- And more!

Where: One Judiciary Square Building, 441 4th Street, NW Room 1107S, Washington, DC 20001. Metro: Judiciary Square (red line); Bus: D6; Parking: on street (limited)
