RE: Future Administrator Seminar

The Board of School Trustees has adopted the following:

*“Identify potential administrators among the TSC faculty and provide them with appropriate training and leadership opportunities. This will include a portfolio of activity choices for internship experiences, joint ventures with other school corporations, and opportunities for community based leadership training.”*

Since 1998, 211 TSC teachers have attended some or all of a series of four evening seminars in support of this activity. Subsequently, 81 of those participants have been assigned as administrators in TSC or other school districts.

During the 2019-2020 school year, TSC will host four evening seminars entitled the Future Administrator Seminar.

Tuesday, October 15, 2019 4:00pm-6:00pm  
**Seminar Introduction, Graduate School Programs, Leadership**

Thursday, December 12, 2019 4:00pm-6:00pm
