K-8 TEACHERS: RECEIVE UP TO \$200 TO BRING ENTREPRENEURSHIP TO YOUR CLASSROOM

Learn How in this One-Day Workshop offered at NO COST to you or your school!

8:30 a.m.—3:30 p.m.

Tuesday, September 11, 2018, Purdue University

- Discover how your students can flourish by starting and running a real money classroom business.
- CBE covers standards in economics, social studies, math, language arts, and STEM in real world contexts and can be integrated into your existing curriculum.

Free-to-You Resources and Professional Development for Teachers

- Expert training (7 Professional Growth Plan Points) from economic educators and fellow teachers.
- Compensation for business start-up (up to **\$200**) and sub-pay during training (up to **\$85**).
- CBE curriculum, [KidsEcon Posters](#)[®], and engaging [Herschel videos](#) to help with business start-up.
- Online social network of educators and teachers to help as you grow your business.
- Breakfast, lunch, and parking included on training day.
- Guest Speaker: **Amanda Findlay**, Operations Manager at MatchBOX Coworking Studio.
- “How I Did it” Session Leader: **Gina Boyd**, Mayflower Mill Elementary School, a National Board Certified teacher who has been recognized at the national and local level for teaching excellence, including receiving the Tippecanoe County School Corporation’s Elementary Teacher of the Year Award for 2017-18.

Be Part of a Growing Network of Indiana Teachers who Love CBE!

“It was inspiring to see students who struggle academically take the lead with a hands-on project.”

“I made them collect the data. We made graphs of how much money was coming in—true life skills.”

“Today was a great reminder, that in a world of testing, kids need so many more real-world tools and skills to be successful adults. Thank you!”
