# Meet Your New Provider!

**Dr. William Bray**

**MD**

*Dr. William (Bill) Bray is a native of Indiana, raised in Jasonville, just South of Terre Haute. He attended Purdue University, graduating in 1991 with a degree in Electrical Engineering. Following a year of research work at Riley Hospital for Children, he attended Indiana University School of Medicine, graduating in 1997.*

*He did Family Medicine residency training in Muncie Indiana at Ball Hospital, graduating there in 2000. He then served 5 years active duty in the United States Air Force as a flight surgeon, first at Tyndall Air Force Base, Panama City, FL and later Spangdahlem Air Base, Germany. He returned to the Lafayette area in 2005.*

*He was the medical director of the Regional Occupational Care Center from 2007-2012. From 2012-2017 he was the Chief Medical Officer of WeCare, TLC.*

*Dr. Bray is board certified by the American Board of Family Medicine (ABFM) and the American Board of Independent Medical Examiners (ABIME). He continues to serve in the Indiana Air National Guard as the Commander of the 181st Medical Group, Terre Haute, IN.*
