

## **Marker 36 Maintenance to Impact Several Amenities from May 28 – 29**

Pelican Bay Foundation

A special maintenance task will impact several Foundation operations and amenities next week.

### **Tuesday, May 28,**

Marker 36 Restaurant & Bar is scheduled to have its rooftop AC replaced by a helicopter. To conduct this task effectively and with limited safety risks, **the following Foundation locations and amenities will be closed on Tuesday morning:**

- **North Beach:** All outdoor fitness classes, beach staff operations, Marker 36 Restaurant & Bar operations, and pedestrian activity will be closed at North Beach, as the surrounding area of Marker 36 must be cleared for AC replacement.
- **Commons:** Member access to the Commons building and parking lot will be closed Tuesday morning, as the area will be used as a staging and landing site for the helicopter. However, Commons operations will be open. If you need to reach Member Services or Guest Services during this time, please call (239) 597-8081 and select option 1 for Guest Services or option 2 for Member Services.
- **South Racquets:** All South Racquets operations will be closed Tuesday morning due to the closure of the Commons parking lot.
- **Berm:** The berm will be closed on Tuesday morning as the helicopter travels between the Commons and Marker 36. Access points to the berm through residential buildings will also be closed during this time.
- **Tram Operations:** Tram Service will not be offered on Tuesday morning as the helicopter travels between the Commons and Marker 36.

**Following the AC replacement, Marker 36 Restaurant & Bar will remain closed for the rest of Tuesday, but the berm, North Beach access, trams, and South Racquets will reopen later in the day.** We will inform the community about those reopenings.

### **Wednesday, May 29**

- All Foundation locations and amenities will operate at regular hours, **except for Marker 36 Restaurant & Bar, which will remain closed for additional scheduled maintenance.**

### **Thursday, May 30**

- Marker 36 will reopen to the community from 11:30 a.m. to 8:30 p.m.

We apologize for the inconvenience and encourage you to visit and make plans at other Foundation locations and amenities that will operate during these temporary closures, including the Fitness Center, indoor fitness classes, and the North Racquets Center.

Thank you for your patience and understanding.
