

Horton Hears a Who!

Week four -2/28/21

“A Neighbor’s a Neighbor!”

We last left Horton in a bad spot. Sour Kangaroo was ready to have him caged and have the Who’s boiled in Beezle-Nut oil. All Horton had to do was admit that there was no one living on the speck of dust, that Kanga was right, and he was wrong. But Horton would not because he believed, “a person’s a person no matter how small.”

Today’s Scripture

The story of Horton reminds me a little bit of the story of “The Good Samaritan.” Watch the story of “The Good Samaritan” [here](#).

Jesus has told us to love our neighbor. If you have trouble knowing who your neighbor is, just remember the story of “Horton” and the story of “The Good Samaritan”—then you will know that every person is your neighbor and “A neighbor’s a neighbor, no matter how small!”

Prayer

Dear God, help us to remember a person is a person no matter who they are, and we are called to help all people regardless of their likes or dislikes and beliefs or disbeliefs. Help us be a voice for all people. Amen.
