

Indian Lake Borough

Clean-Up Do's and Don'ts (Waste Management)

Acceptable:

- Household furniture and large appliances, including but not limited to the following: refrigerators, washers, dryers, dishwashers, stoves, bicycles, microwaves, toilets, hot water heaters, etc.
- Carpeting is accepted but must be cut into 4 ft sections and rolled and tied/taped securely into ***bundles weighing no more than 40lbs***. A 12 X 12 ft room of carpet and padding is considered 1 item.
- A mattress and box spring are also considered 1 item.
- Push mowers will be accepted as long as gas and oil are drained and dry for 24 hrs.
- Refrigerators and freezers must have doors removed. ***Any item containing freon must have the freon removed by a certified technician with the proper documentation attached.*** The item will not be taken if the freon was removed illegally. Items typically containing freon include but are not limited to: refrigerators, freezers, air conditioners, dehumidifiers, and water coolers.
- Televisions with viewable screens smaller than four inches; telephones of any type, including a mobile phone; automated typewriters, portable handheld calculator, portable digital assistant, global positioning system, MP3 player or other similar devices.

Unacceptable:

- Insecticides, pesticides, oil, gas, propane tanks, rocks, gravel, bricks, concrete, cement, dirt, sod, tree stumps, any car parts, antifreeze, riding mowers, and tires.
- Devices that are unacceptable and now must be ***recycled*** include televisions larger than 4 inches, and all computer equipment, including monitors, CPUs, laptops, printers, scanners, keyboards, mouses, speakers and any other devices that connect to a computer in a home or small business.
