**Indian Lake
Anglers' Club**

Practice Catch and Release!

Mission Statement

Indian Lake Anglers' Club is dedicated to improving the fishing in our beautiful lake. Over the years, we have continued to stock the lake with quality fish, maintaining a great resource for the entire lake community and our children. The club-sponsored children's tournament each year draws a huge crowd, and the kids are introduced and educated about the great sport of fishing. Our growing smallmouth bass population in the lake is a direct result of stockings carried out by our club, the Service Corporation, and Indian Lake Borough Council. We have also reintroduced walleye, crappie, and trout into our fishery with good success. To continue our ongoing stocking efforts, we need your financial support.

Stockings

The anglers' club, with the cooperative support of the Indian Lake Borough Council and the Service Corporation, stocked walleyes and rainbow trout

in the fall. Your continued financial support will enable us to annually continue our stocking program for years to come.

Lunkers 5.67, Frank Forney and 5.00 & 4.75, Jeff Lederhos

Bass Tournaments

Throughout the summer, the club holds eight bass tournaments at the lake. Anglers must be club members, who meet at the marina between 6:00-6:25AM for registration. Fishing starts at 6:30AM, and weigh in is at the marina at 11:00AM. Each angler can weigh three bass, either largemouth or smallmouth, and the top three weights along with the lunker largemouth and smallmouth bass win cash prizes. An overall tally is also kept to award the top three overall anglers of the entire season. Those awards are presented at the end of the year banquet held at the Lodge. These tournaments provide great competition and fun!

Al Diehl Memorial Children's Tournament

Each summer around July 4th, the club sponsors a children's tournament commemorated to one of our founding members, Al Diehl. Any child 15 years of age and younger can participate and bring their pan fish catch, (no bass) with a 50 fish limit to the marina for counting. The youngsters with the most pan fish in three different age categories win prizes for first, second, and third place and for the longest pan fish.

After the tournament, the club along with the Marina provides a picnic luncheon. The kids have a great time, and the club enjoys hosting the tournament and promoting the great sport of fishing.
