

Lake Residents and Marina Customers

Due to the adjusted time frame on the lake draw down the Marina will need to jump on getting boats and docks out a little sooner than normal. We do understand that everyone would like to keep their boats in for as long as possible but we do not have the means to pick up everything the last week. If you can please contact the marina to move up your pickup date that would be helpful.

Also, if you have not sent in your forms please do so as soon as possible. If you need copies of any of the forms, [Click Here](#) or visit: <https://www.indianlakemarina.com/forms/>

For the folks having lifts and docks removed we would need the boat out by October 27th.

Please Call 814-754-1700 or e-mail info@indianlakemarina.com

Thank you in advance
