

Easterseals MA Youth Program Layered Safety Measures

The following are safety measures being taken for facilitation of Easterseals MA in person youth programs. These measures will be continually reviewed and modified based on the situation.

- ✓ Given the high-risk population of many participants and facilitators, masks will be required to be worn at all times during indoor groups.
- ✓ Masks should be well-fitting that cover the nose and mouth fully even when talking
- ✓ We will have masks available if needed
- ✓ If you are unable to wear a mask for a prolonged period, we invite you to participate in one of our virtual Youth Leadership Network groups.
- ✓ When food is provided, participants will be spaced and are able to remove their masks while eating.
- ✓ We ask that you do not attend an in-person group, regardless of vaccine status:
 - ✓ If you're feeling sick or having any symptoms of COVID-19
 - ✓ If you have been exposed to someone with COVID-19 in the last 10 days
 - ✓ If you have tested positive in the last 10 days for COVID-19
