

Bruce Wessman Candidate Statement

*Chair
Council of Board Administrators (CBA)
2019*

North Dakota's board of physical therapy is a unique board. It has a limited staff consisting of a part time administrative assistant, a part time attorney and a part time executive officer. The board meets annually with an additional 2-3 meeting per phone. Up until September of 2018 I was employed as a full time physical therapist working for the VA in Fargo. I have since retired and now I have the time to start volunteering for the federation. I have attended all counsel of board administrative annual meetings since 2008 and I have seen how helpful the federation staff is in running these meetings. Without this valuable assistance I would be hesitant to jump into a leadership role. However given the support of the federation staff, I have no reservations about my capabilities to serve in the position of CBA chair. I also have no concerns about the time commitment required to serve in this capacity. I look forward to serving as the CBA chair for the next 2 years.

Sincerely
Bruce Wessman
