LAUW COMMUNITY SAVINGS CHALLENGE

SAVE \$250 BY NOVEMBER 30

The challenge begins June 1. You've got six months to put away \$250. About \$10 per week will get you to your goal!

OPEN A SAVINGS ACCOUNT

If you don't currently have a savings account, Lake Area United Way can connect you with a community bank that you can trust.

BUILD STABILITY

We know that saving 3-6 months worth of expenses can be daunting. Even \$250 could help eliminate the need for expensive payday loans in an emergency.

REAP THE REWARDS

A new study shows that maintaining a savings balance of \$250 correlates to increased housing security, ability to keep your utilities on, and overall greater financial satisfaction.

YOUR EXTRA CHANGE COULD CHANGE YOUR LIFE
