

MONTGOMERY COUNTY COUNCIL
ROCKVILLE, MARYLAND

February 11, 2020

Dear Resident,

Please join the Montgomery County Council for a town hall-style discussion of safety and security for faith-based organizations and institutions.

Montgomery County is a community of compassion and concern. Our mission is to serve as a model for supporting faith-based institutions and responding to security needs, so residents can practice their faiths free from fear.

Since 2017, jurisdictions across the country have experienced a rise in hate speech, violence, and other hate crimes directed at our communities of faith. Our County stands by these communities and institutions. We are prepared to be a stalwart supporter of safety and security, and we want to hear from you on how we can build upon that commitment. Please see the attached flier for details about this important conversation.

Sincerely,
