

- We have begun gathering again outdoors for worship! Hopefully by Holy Week and Easter, we will be able to increase our numbers to accommodate everyone who desires to gather together outdoors.
- The Regathering Task Force, led by vestry member Krista Gauthier, will send you a full report next week about their good work! A plan is in place and has been submitted to the Diocese for review. If the virus numbers continue to go down as they are trending, possibly in Eastertide we can begin gathering safely inside the Contemporary Church for worship.
- Our youth are meeting outdoors on Sundays.
- Our Children and Families leadership are working on plans to get our children together outdoors after Easter.
- Our outreach ministries are working on ways we can share God's abundant blessings with others, giving others hope, helping others prepare with some joy where joy is diminished through food insecurity.
- You may get together with fellow parishioners on Spiritual Walks we have begun. The next one is Sunday afternoon, March 21.
- Our Day School has opened on a limited basis for 3 & 4's through June with full-opening planned for September.
- The Organ Campaign is reaching its goal due to your faithful generosity...a full report coming next week.
- Holy Week and Easter liturgies will have both on-line and outdoor in-person worship opportunities.
- Your energetic and creative vestry is working to lead us into the future and where we need to be to receive our new rector. And the Rector Search Team is working hard to discern that call.

Together, we will know God's life and love in new and amazing ways. What will you do to "prepare with joy" for what's ahead? Keep hoping! Keep working on getting your vaccine! Keep being patient and trusting God! Keep the faith! Keep praying this prayer:

***May the God of hope fill us with all joy and peace in believing through the power of the Holy Spirit.***

Yes, new life and possibilities are on the horizon. May we all prepare with joy.

Pax,  
Andy+
