## **WHO ARE WE LOOKING FOR TO TEACH? A FRIEND, BEING A FRIEND IS A TREMENDOUS THING**

We get to be so creative this year! We have unique opportunities to get involved with our Children's Ministry Program this year, thanks to technology. Similar to Virtual Hogwarts VBS, we will be using both zooming sessions and prerecorded videos in our Children's Ministry Curriculum. That means we are not limited to just the regular weekly Sunday School Time Period. We will have opportunities for people to make prerecorded videos. Therefore, we are looking for all sorts of gifts, and interest to share with our kids.

If you have a heart for God, for kids, and want to share that with our Children Ministry Program, we want you! We are simply looking for people who are willing to be friends with our kids. You don't need to have experience working with children, and you don't need to be a parent. We want our kids to see the diversity in the church in their program. We want to reflect different ages, ethnicities, and genders, in our teaching team. Everyone has something to offer, and if God is calling you to work with Children's Ministry, then know those gifts will make a huge impact on our kids.
