For Those Working on the Front Lines of the Covid-19 Pandemic.

Lord, we ask for protection and wisdom for our families, school administrations, and for teachers. Guide our way as we all face decisions surrounding education in our ever-changing world. We ask you to bless us, the parents, students, teachers, and administrations with health and grace. Keep us in your loving embrace and surround us with your everlasting peace.

We give thanks for your faithful servants who have made a pledge to your mission through our Falls Church Family for 2021. We pray that others would join them in this ministry of stewardship so that all that the work you call us to do can be accomplished, and our Vestry would be wise stewards of these gifts that come from the abundance of your grace we share.
