

Set the Captives Free (Philemon)

Have you ever owed anyone something?

What does that that feel like?

Has anyone ever paid your debt, or maybe a portion if it?

How did that make you feel?

Take a minute and read the book of Philemon, yes the whole book. Don't worry, it is just one chapter.

Who is Philemon?

What is Paul trying to talk to Philemon about?

Who is Onesimus?

Do you know what the word Jubilee means?

Read Leviticus 25: 8 – 13

What does that tell you about Jubilee?

Do you think that Paul is getting his idea from Jubilee?

What are some of the ways we can try to live out those same principles of Jubilee in our own lives?
