

The Falls Church Episcopal 2021 Annual Giving Campaign

Over the past four years that The Falls Church Episcopal has been our church home, we have been happy and honored to serve the church with our time, our talents, our presence (virtually), and our gifts. Whether it's our gifts in music or stewardship, these are the talents that God gave us and that we are therefore pleased to give back.

For me, my involvement in all the churches I have belonged to has revolved around the music program. The ability to make music is in itself a gift from God, and it is how I worship my Lord. So, it is only natural that I participate in the life of the church through its music program. In 2020, that participation is through the virtual choir, but it's still important that I do it. So if I derive a significant source of the connection that I feel with my God through the church (and music in particular), then it is my joy to ensure that the church is able to be that place that feeds all our needs for connection to each other and to God.

Giving of my time, talent, and resources is therefore a way for me to acknowledge that this is my home, and I want to do everything I can to ensure that it is as comforting a place to others as it is for me. I hope you will join in making a pledge to TFCE this year.
