

Casie says “Working for The Falls Church Episcopal has brought me so much joy over the past four years. I have loved my role in welcoming and connecting the newest members of our church community and helping them find a way to contribute their special gifts and talents to our wonderful church. I feel like I know our church family on such a deeper level after working so closely with so many of you and I will really miss that connection. But I am looking forward to spending more time with my two little blessings and being more present for them in a time when they need me most. But, as Father Andy has said, while I may be leaving this position, I will not be leaving my wonderful Falls Church Episcopal family.”

Please join me in thanking Casie for sharing her tremendous gifts professionally with us. She has helped make us the inviting and welcoming beacon of faith, hope and love that we are, and a place of vital connection with our ministries and especially with God, for all. She remains a faithful member of our parish family and the Invite Welcome Connect ministry, and Tom continues to serve as parish Treasurer, on the Executive Committee and ex-officio on the Vestry. The Disantis family are a model of faithful stewards of their time, talent and treasure. Changing times call for changing commitments, but through all the changes, God’s love and presence undergirds all we do and keeps us moving forward in faith and mission.
